

Mid-Michigan District HEALTH DEPARTMENT

CLINTON • GRATIOT • MONTCALM

Due to the COVID-19 pandemic, Mid-Michigan District Health Department is restricting access to our buildings, in an effort to protect clients and staff.

We will have staff in our buildings and will continue to offer some services. Please call the appropriate number below to speak with a member of our staff to determine if we can serve you. We may be assisting other clients when you call, so if no one picks up, please try again.

ENVIRONMENTAL HEALTH SERVICES

Water samples: We are accepting water samples. No need to call ahead. Call the appropriate branch office phone number when you arrive and someone will meet you at the door.

For the following services, call the appropriate branch office phone number to speak with a member of our staff to determine if we can serve you.

- Apply for well or septic permits
- Pick up water sample bottles
- Pay for a food service license
- File a complaint

St. Johns branch office:
989-227-3110

Ithaca branch office:
